

Safety Data Sheet (SDS)

Product: Modeling Paste

Date of last revision 27/02/2019	Number of last revision: 2	SDS Nº 57	Page 1 of 6
--	--------------------------------------	---------------------	-----------------------

1. Identification

Product identifier: Modeling Paste

Recommended use of the chemical: Ideal to create relieves, textures and to make applications of different objects and materials on handcraft canvas and articles, as wood, ceramic, plaster and paperboard.

Identification Code: 13425 / 13450

Supplier's name: Acrilex Tintas Especiais S.A.

Address: Estrada Galvão Bueno, Nº 5000 - Batistini

Complement: São Bernardo do Campo - São Paulo

Supplier's phone number: (11) 4397-9255

Emergency phone number: (11) 4397-9258

2. Hazard identification

Classification of the substance or mixture: Chemical not classified as hazardous according to GHS

Precautionary recommendations: This product is not recommended for children under 3 years.

Other information: Product not suitable for use on skin

3. Composition/Information on ingredients

Product Type: Mixture

This mixture does not contain ingredients or impurities that contribute to its hazard.

4. First-aid measures

First-aid measures

- **Inhalation:** Remove the victim to fresh air and keep at rest in a comfortable position for breathing. Seek for medical assistance.
- **Skin contact:** Remove contaminated clothing, wash with water and soap. Seek for medical assistance.
- **Eye contact:** Wash with plenty water for 15 minutes, keep the eyelids open. Seek for medical assistance.
- **Ingestion:** Do NOT induce vomiting. Seek for medical assistance.

Most important symptoms/effects, acute and delayed: Product not classified as hazardous for human health.

Indication of immediate medical attention and special treatment: Symptomatic treatment.

5. Fire-fighting measures

Suitable extinguishing media: Foam extinguishers, dry chemical powder, CO₂ (carbon dioxide), water nebulization. Cool off the burning packages and take packages which were not affected away from the flames.

Safety Data Sheet (SDS)

Product: Modeling Paste

Date of last revision 27/02/2019	Number of last revision: 2	SDS N° 57	Page 2 of 6
--	--------------------------------------	---------------------	-----------------------

Unsuitable extinguishing media: Water jets directly and water directly onto the product in flames

Specific hazards arising from the chemical: The combustion of the chemical or its packaging may form toxic and irritant gases such as carbon monoxide and carbon dioxide

Special protective actions for fire-fighters: Respiratory protection equipment standalone type (SCBA) with positive pressure and full protective clothing that offers protection against heat . Containers and tanks involved in the fire should be cooled with water fog . Get away from the fire area containers if it can be done without risk

6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

- **For non-emergency personnel:** Isolate the leak sources of ignition. Prevent sparks or flames . Do not smoke. Do not touch damaged containers or spilled material without the use of appropriate clothing . Use personal protective equipment as described in Section 8
- **For emergency responders:** Personal protective equipment . Avoid contact with eyes and skin . Avoid inhalation of mist / vapors . Avoid direct contact with the liquid.

Environmental precautions: Avoid the possibility of contamination of surface water or springs. Avoid drag.

Methods and materials for containment: Use water mist or vapor suppressing foam to reduce the dispersion of the product. Use natural barriers or spill containment. Collect the spilled product and place in suitable containers . Adsorbs the remaining product dried with sand, vermiculite or other inert material.

Area isolation: Keep unauthorized persons away from the area.

Methods and materials for cleaning up: The cleaning of the place should be made with water and mild detergent.

7. Handling and storage

Precautions for safe handling

- **Prevention of workers exposure:** Handle in accordance with established safety standards. Use personal protective equipment.
- **Fire and explosion:** Non flammable
- **Precautions for safe handling:** Handle in a ventilated area or general ventilation system / local exhaust ventilation. Use personal protective equipment as described in Section 8.
- **Hygiene measures**
 - **Suitable:** Wash your hands before eating, drinking or using the toilet. Contaminated clothes should be changed and washed before reuse.
 - **Unsuitable:** Do not eat, drink or smoke during the product handling.

Conditions for safe storage

- **Conditions for safe storage:** Store the product in cool, dry and ventilated areas away from heat, ignition sources, food and oxidizing agents. Keep packages always closed.
- **Conditions to avoid including incompatibilities:** Avoid wet areas, outdoor, and without ventilation.

Product: Modeling Paste

Date of last revision 27/02/2019	Number of last revision: 2	SDS N° 57	Page 3 of 6
--	--------------------------------------	---------------------	-----------------------

- **Packaging materials**
 - **Suitable:** Metallic drums coated internally with varnish and/or plastic containers.
 - **Unsuitable:** Do not store the product with explosive materials, flammable or toxic, oxidizing substances, corrosive, organic peroxides spontaneous combustion materials and radioactive materials

Other information: Not Available.

8. Exposure controls/personal protection

Control parameters

- **Occupational exposure limits:** Not Available.
- **Biological indicators values:** Not Available.
- **Other limits and values:** Not Available.

Appropriate engineering controls: Maintain adequate ventilation. Keep emergency shower and eye shower close to workplaces.

Individual protection measures, such as personal protective equipment

- **Eye/face protection:** Safety glasses for chemical products.
- **Skin protection:** Gloves, PVC apron and closed shoes according to working conditions.
- **Respiratory protection:** Mask with chemical filter for organic vapor protection.
- **Hands protection:** PVC gloves or others resistant to organic solvents.
- **Thermal hazards:** Not available.

Other information: Not Available.

9. Physical and chemical properties

- **Appearance**
 - Physical state:** Liquid.; **Form:** Pasty.; **Color:** Milky
- **Odour:** Typical.
- **Odour threshold:** Not available.
- **pH:** 8,0 - 9,0
- **Melting point/freezing point:** Not available.
- **Initial boiling point:** Not available.
- **Boiling range:** Not available.
- **Flash point:** > 100 °C Test: (closed cup)
- **Evaporation rate:** Not available.
- **Flammability (solid, gas):** Not available.

Safety Data Sheet (SDS)

Product: Modeling Paste

Date of last revision 27/02/2019	Number of last revision: 2	SDS N° 57	Page 4 of 6
--	--------------------------------------	---------------------	-----------------------

- **Lower flammability or explosive limits:** Not available.
- **Upper flammability or explosive limits:** Not available.
- **Vapour pressure:** Not available
- **Vapour density:** Not available.
- **Relative density:** 1,500 - 1,550 g/cm³
- **Solubility(ies):** water-soluble.
- **Partition coefficient: n-octanol/water:** Not available.
- **Auto-ignition temperature:** Not available.
- **Decomposition temperature:** Not available.
- **Viscosity:** 200 - 250 Poise.

10. Stability and reactivity

Chemical stability: Stable in normal conditions of storage and handling.

Reactivity: Not available.

Possibility of hazardous reactions: None, when the product is stored, handled and processed correctly.

Conditions to avoid: Exposure to high temperatures for prolonged periods may cause changes in the product.

Incompatible materials: Not available.

Hazardous decomposition products: Incomplete combustion emits irritating gases

11. Toxicological information

Acute toxicity: The product is not classified for this hazard according to GHS.

Skin corrosion/irritation: The product is not classified for this hazard according to GHS.

Serious eye damage/irritation: The product is not classified for this hazard according to GHS.

Respiratory or skin sensitization: The product is not classified for this hazard according to GHS.

Germ cell mutagenicity: The product is not classified for this hazard according to GHS.

Carcinogenicity: The product is not classified for this hazard according to GHS.

Reproductive toxicity: The product is not classified for this hazard according to GHS.

STOT-single exposure: The product is not classified for this hazard according to GHS.

STOT-repeated exposure: The product is not classified for this hazard according to GHS.

Aspiration hazard: The product is not classified for this hazard according to GHS.

Additional information: Not available.

12. Ecological information

Toxicity: The product is not classified for this hazard according to GHS.

Persistence and degradability: Not available.

Bio accumulative potential: Not available.

Mobility in soil: Contact the local environmental agency , in case of spillage to surface water sources or soil

Other adverse effects: Product miscible in water. Avoid contamination of rivers, lakes and water sources

Safety Data Sheet (SDS)

Product: Modeling Paste

Date of last revision 27/02/2019	Number of last revision: 2	SDS N° 57	Page 5 of 6
--	--------------------------------------	---------------------	-----------------------

preventing the flow of material into waterways, pipelines and galleries.

13. Disposal considerations

Disposal methods

- **Product:** The treatment and disposal of the product should be technically evaluated, case by case. Remaining products must be discarded in authorized installation.
- **Used package:** Discard in authorized installation. Do not reuse the package.

14. Transport information

National and international regulations:

Land Transport:

Technical name: Modeling Paste.

Additional information: The characteristics of the product does not meet the official criteria of dangerous goods for purposes of transportation.

15. Regulatory information

Safety, health and environmental regulations specific for the product:

Globally Harmonized System of Classification and Labelling of Chemicals (GHS)

16. Other information

Other information that does not belong in other sections:

This Safety Data Sheet (SDS) has been prepared based on current knowledge about chemicals and provides information about protection, safety, health and environment. It is warned that any chemical handling requires prior knowledge of its hazards by the user. The user company is responsible to promote the training of its employees about the potential product risks.
